

ශ්‍රී ලංකා අලුලාභය
இலங்கையின் பிரதம அமைச்சர்
Prime Minister of Sri Lanka

Message from the Prime Minister on Sri Lanka's 77th Independence Day.

Independence is not just about sovereignty; it is about dignity, justice, and the right to a life free from oppression. Today, as we reflect on our journey, we recognize that true freedom comes from an inclusive and equitable society where every community; regardless of ethnicity, religion, caste, gender or class has an equal stake in shaping this nation and feels valued and respected.

A thriving nation, a beautiful life is not just a vision; it is a call to action. It is a commitment to a Sri Lanka where democracy is deepened, where economic justice is prioritized, and where the voices of the marginalized are not just heard but centered in decision-making. It is a promise to build a country where every individual feels a sense of belonging and worth.

On this historic day, let us go beyond symbolism and dedicate ourselves to meaningful change; towards a Sri Lanka that truly belongs to all.

Dr. Harini Amarasuriya.

Prime Minister

Democratic Socialist Republic of Sri Lanka.
