Ministry of Power and Energy

No. 90, Sir Ernest De Silva Mawatha

For Secretary

Dear Foreign Secretary,

Supply of 2.25 million MT +/- 10% of Coal under the Term Tender LCC/23/TT/1 for the Lakvijaya Coal Fired Power Plant at Norochcholai, Puttalam, Sri Lanka for season 2023-2024

The annual coal requirement of Lakvijaya Power Plant (LVPP), Norochcholai, Sri Lanka is procured through Term Tenders and Spot Tenders by inviting bids from registered suppliers. SSCAPC has decided to allow interested suppliers to be registered with Lanka Coal Company prior to one week from the Term Tender closing date of 25th July 2023 in order to create competitiveness for the said tender.

The Tender is published on 13th June 2023 and closing on 25th July 2023, it has been published in the local newspapers and LCC website www.lankacoal.lk Since this is an International Competitive bidding process & most of the coal suppliers are international entities, it is required to publish the tender internationally.

Therefore, the published advertisement is sent herewith to inform the relevant international missions in an attempt to receive competitive bids for the mentioned tender.

Since this is a task of national importance, it is greatly appreciated if you could publish the attached advertisement on your web site and distribute same among the entities in the coal trade through your respective missions.

Thanking You
